On Monday, January 22, 2007, a chapter of **Mu Alpha Theta**, the national High School and two-year college mathematics honor society, was chartered at Denbigh Baptist Christian School. Membership is for students in grades 9 through 12 who have completed four semesters of college preparatory mathematics with distinction, and have completed or are currently enrolled in a fifth semester of mathematics.

The purpose of MAΘ is to promote scholarship in mathematics, as well as enjoyment and understanding. Ultimately, these students' purpose is to glorify God through excellence in mathematics. We are very grateful for the faithful direction by our faculty sponsor Mr. Jim Cass.

Congratulations to our recently inducted members:

▶ **A REMINDER TO PARENTS OF OUR FIFTH GRADERS**

All students preparing to enter the 6th grade next year are required to have had their T-DAP booster shot (Tetanus, Diphtheria & Pertussis). This is a Commonwealth of Virginia regulation that must be complied with in order for your child to start school in August. Thank you for your understanding and compliance. If you have any questions please contact Mrs. Tammie Saunders at 249-2654.

▶ **REGISTRATION FOR THE '09-'10 SCHOOL YEAR IS STILL**

ongoing but time is of the essence! If you have not already returned your child's re-enrollment forms, we urge you to do so as soon as possible. We'd also like to remind you that there's a \$100 credit just waiting to be placed towards your account for every new family that you recommend to DBCS who applies and is accepted. Remind them to write in your name on the line of the application where it asks how they heard about Denbigh Baptist Christian School.
